PRESS RELEASE

Fatal Motor Vehicle Collision

On Monday November 24, 2014 at about 1:00pm Carver Police, Fire and EMS responded to a report of a head-on motor vehicle collision in the area of 22 South Main Street. Upon arrival emergency workers found that a 2004 Honda Civic being operated by a 20 year old female resident of Rochester had collided with a 2000 Kenworth truck driven by a 52 year old Fitchburg male. Both vehicles sustained severe damage and both operators were transported to local hospitals. Due to the severity of the damage to the Honda, the female operator had to be extracted with the Jaws-of-Life by Carver Fire personnel. She succumbed to her injuries at the hospital.

The cause of the collision is still under investigation by members of the Carver Police Department and the Massachusetts State Police. Several other agencies including Wareham Police and EMS, Plymouth County Sheriff's Department and Plympton Police assisted at the scene.

South Main Street was closed between Mayflower Road and Shaw Road for approximately 5 ½ hours while the investigation was conducted.

We will not be releasing the names of either operator in the collision.
